

We have officially added a Butler to our office and he is here to serve you!

We are pleased to offer The Lens Butler to all our contact lens patients – an easy, affordable and convenient monthly subscription service for your annual supply of contact lenses.

The Lens Butler makes it easy:

- No big up-front cost!
- Affordable monthly payments auto-billed the same time every month
- Lenses automatically shipped to your door every month
- Buy both glasses and contact lenses today!

*Patients who change their lenses regularly are healthier, happier and report better vision and comfort – we know you deserve to feel good about more than just price!*

How it works:

1. Sign up in the office for convenient monthly delivery of your contact lenses
2. Pay for your first month in the office today
3. Relax! Your lenses are on their way. The Butler will take care of you for the next year!

We are excited for the opportunity to make contact lens purchasing easy and affordable for you! Schedule your eye exam today and let us sign you up. Heritage Eye Care and The Lens Butler are at your service!
